Dear Valued Season Ticket Holders:

First, I would like to thank you all for your support throughout the years. I know I have said this before, but I can not say it enough, without you, the season ticket holders, the Orlando Predators do not exist.

During these hard economic times, the support you have shown our team has been astounding. Over 80% of our season ticket holders have left there money on account for the 2010 Season and, again, we thank you so much.

We are working around the clock to get the new economic model in place and are very anxious to start making announcements on the 2010 Season.

For those who requested a refund, a check for 1/3 of the money you requested is enclosed. The next installment will be sent out no later than May 31, 2009. For the majority who have kept their money on account, the 20% interest has begun and we will be contacting you in April for the priority upgrades we promised for the 2010 Season.

Thank you for your continued support!

Sincerely,
